Faith—What Is It?

Leader's Notes

I. Definition of faith.

- Faith is the ability to believe without demanding proof.
- To believe simply because we have confidence or trust in the person who is speaking.

- The spirit of faith is believing and speaking.
 - *2 Corinthians 4:13, "And since we have the same spirit of faith, according to what is written, 'I believed and therefore I spoke,' we also believe and therefore speak." (NKJV).*
- God uses faith in all that He does.
- Faith in God is powerful and produces change.

Faith

Confession

I believe God is pleased when I have faith in His Word. Just like Abraham believed God and things that were impossible were accomplished, I have faith in God to do the impossible in my life. I thank God for the ability to believe His Word through faith, and see my life change for the better.

In the Name of Jesus Christ. Amen.
