

The Force of Faith

Faith in Your Reborn Spirit

Faith in Action Plan

Identify an area of your life you want to use your faith to change. Write it here:

Write a scripture that assures you that faith in God will change that area.

Write what you will say as you use your faith in this area.

Continue to confess by faith that things are changed.

We want to hear how faith is changing your life, so please send us your testimony by visiting kcm.org/testify.
