

The Force of Faith

Faith in Your Reborn Spirit Quick Study Guide

I. The quest for faith.

- Everyone in the Bible who did anything for God, did it by faith with miraculous results.
- Faith is one of the principle doctrines of Jesus Christ.
- You must have faith that you can use every day to get miraculous results.

II. The spirit realm is real.

- To be a spirit means that you were created by God in a class that can fellowship with Him.
- You use your body to live in the earthly realm, so you can have contact with material things.

III. Man has a body, a soul and a spirit.

- Your body only houses the real “you.”
- As your body, soul and spirit come into unity, you grow stronger in the things of God.
- We can take authority by faith and think the thoughts of God, discipline our bodies to God’s will and do the works of God in the earth.
- The born-again man has the character of Jesus in his spirit—that includes faith.
