

How to Respond When Someone Hurts You

How to Respond When Someone Hurts You Faith in Action Plan

Choose something in your life that tempted you to be offended. Write it here:

Write what you will say to “sow” love instead of this offense and expect a harvest:

Write a scripture to support your faith for your harvest:

Be thankful that God has provided a way to change offense to harvest in your life.

We want to hear your testimonies of receiving a harvest from the seed of offense.

Please share them with us by visiting kcm.org/testify.
