## Faith—What Is It?

### Action Plan

Formulate the meaning of faith in your own life. Write it here:

---

---

---

---

Find two scriptures that apply to faith in God. Write them here:

---

---

---

---

Write down what you will say, to allow God to strengthen your faith.

---

Each day this week, pray that God will give you a deeper revelation of faith.

We care about you, and we would enjoy hearing from you as you are on this “faith” journey.
