

Days of Prosperity

God Wants Us to Prosper

Quick Study Guide

I. It is the will of God for you to prosper.

- God wants His people to prosper just as much as He wants us to be healed and free from stress.
- True prosperity is the ability to use God's power to meet the needs of mankind in every realm of life.
- Jesus is coming and believers need the finances to preach the gospel throughout the world.

II. Your responsibility is to believe and receive prosperity.

- The purpose of this teaching is to build your faith, refresh your mind, enlarge your capacity to receive, and position you to receive and give back.
- Your economic prosperity is subject to the God-given authority and dominion you exercise.

III. Your prosperity is a symbol of God's covenant.

- A covenant is an unbreakable agreement.
- God wants you to be free financially, to owe no one and to be debt free.
- You should desire to live in love and generosity.
- Your motivation for accumulation is distribution.
