I want My people well. I have a job to do that is so vast and so large in its scope that sick people will not be able to carry it out. I want My people well. I have desired for My people to walk in health. I have desired for My people to know how to walk in health regardless of what ministry is in town. I want My people to know how to take My Word and stand on My Word and receive My healing power and know that I am the Lord. I want My people to walk with Me in health and life and know the good things that I have prepared for them.

I have set a table before you in the presence of your enemies. You shall not be an orphan group. You shall not be hungry. You shall not be in want, for I am the God-Provider. I am the Lord God that heals you.

I want My people well. When you hear someone say that I desire one to be sick, you may know and you may remember this. You may have My voice rise up on the inside of you that will say, That is not true, I want My people well.

I have a desire in Me, saith the Lord and My desire is to come unto you. My desire is to get you with Me--not only in Me but with Me. I want you with Me. I desire to see My people doing what I bid them to do, and hurry up, and hurry up, and get this revival completed; get it finished and cause the Resurrection to come and move on into the millennial reign.

I have a desire for this, saith the Lord. My desire is for My people to grow and come to the knowledge of the truth, and understand My words, and understand My ways, and understand My things, saith the Lord.

The way we shall do this is for My people to get on My Word and be well and be strong, all doing their part and all pulling together. And each effect of every cell of the body doing the work that I've called them to do; edifying the Body of Christ in itself in love, rising to the occasion, rising to face the enemy, rising up into a mighty blanket of the Word of God throughout this nation and throughout the whole world. I will have My people well, saith God.

So My instruction to this ministry is: continue this healing tool [school] in every morning service until I return and it will come to pass.
