

New Songs from Heaven

“New, heavenly melody, new songs from on High are now released into the earth through you. Songs of worship, real worship, the real thing, heavenly songs like the angels sing in the presence of the Almighty.” Hallelujah. Songs of heaven be, now take hold of it. Take hold of it. Take hold of it. Now, if you’ll just simply commit to it and say, “Yes I’ll do it. Yes, Lord, I’ll go. Yes, Lord, I’ll raise my voice. Yes, Lord, I receive it. I receive it,” then it will flow through you. Praise God. Amen.
