

Praise and Worship

“Nothing, no thing in the world order can overcome praise and worship in My Name. For this is the victory that overcometh the world, even our faith. The problem in the past has been an attempt at praise and worship with no faith. But when faith, which cometh by hearing, and hearing by the Word of God, is released and encompassed in praise and worship, when My Word says that I inhabit the praise of My people, then I inhabit the praises of My people. And when My people expect for Me to inhabit your praise, then when you exercise your faith in praise and worship no thing in the world order can overcome faith, praise and worship. So lift your voice and rejoice. Lift your voice and rejoice.”
