

Believe God's Word When You Pray

Believe God First, Then Pray

Action Plan

Choose to pray for your pastor to preach the Word of God in the Name of Jesus.

Write here the changes you expect to see in your church:

Write two scriptures that assure you it is the will of God for your pastor to preach His Word.

Write what you will say about your pastor's preaching as the Word of God is proclaimed.

Follow the request of the Apostle Paul to pray for your pastor that he will preach the Word of God in faith and power and will be protected from wicked men.

You are important to us. Please send us your testimonies so we can praise God with you.

Please send them with us by visiting kcm.org/testify.
