

Favor—The Way to the Top

God Has Favor Toward Us Action Plan

Identify an area in your life where you need God's favor. Write it here:

Write two scriptures that assure you of God's favor and blessing.

Write one sentence you will say to reaffirm you have God's favor in that area.

Read and study God's Word every day about His generous favor to you.

We want to rejoice with you in your victories!

Please send us your testimonies by visiting kcm.org/testify.
